

# Fall Enrollment & Placement Information

You can find your dancers placement in the Parent Portal on August 9th.

For Fall Placement each Ballet & Jazz dancer was graded on a scale by several teachers based on our years of professional training and teaching experience. We look at each dancer individually and make a decision on what is best for them based on their ability, their age, and their personal learning style. Dancers must be able to execute the skills required of their level in order to be promoted to the next. We also have a limited number of spots in each level. We want every dancer to feel confident, and have the ability to grow in their training in a positive and healthy manner.

All placement results are final. You will need to still enroll (online or at the studio) during scheduled enrollment dates. We will NOT automatically enroll your dancer.

**Enrollment for levels IV-VI will open Monday, August 10th at NOON.**

**Enrollment for levels I-III, Combo, Teen & Adult classes will open Tuesday, August 11th at NOON.**

First month's tuition must be paid to secure your student's spot. ***Please give us 24 hours to post tuition after your enrollment.*** You then have 48 hours to pay your tuition or you forfeit your spot.

Some classes will have limited enrollment due to COVID and the room that their class takes place in. Please enroll early if you have a specific time or class that works best for you! It's not unheard of for some classes fill in the first hour or two of enrollment being open!!!
